Being bikers who are always interested in gatherings of other bikers and cool places to go, we are super excited to be writing this column. For our first, we thought we would highlight a few places around these parts that are Rubber Side Down endorsed.

Lost Coyote Saloon, 6100 Andrews Hwy in Odessa. Way cool place, really two places in one. Park in the back if you're on two wheels and enjoy live outdoor music on Sunday's.

Hooters, 2660 John Ben Sheppard Pkwy in Odessa. Beer, babes and buffalo wings! Can't get any better than that! Roll in on two wheels on a Tuesday and get 20 wings for the price of 10 from 7-10pm.

Riley's Bar & Grill, 3421 W. Wall in Midland. Everybody knows Riley's has the best Bloody Mary's around. Steak dinners on Sunday's are only \$7.50. What a deal!

Buckhorn Bar & Grill, 511 W Scharbauer in Goldsmith. The oldest bar in the Permian Basin can't be a bad place to hang out. And you can't say you've played good pool until you've battled the Buckhorn lean.

John Wesley's Pick Pocket Billiards, 102 E 3rd in Big Spring. The nicest pool tables around. Run of the jukebox, commercial free and big screen TV. A must do for the sharp shooter.

Check us out next month for more or send us an email about places you think should be Rubber Side Down endorsed. Email us at [HYPERLINK "mailto:rsd@pigletpaper.com"](mailto:HYPERLINK) rsd@pigletpaper.com and make your case!

Until then, you know what to do – keep that Rubber Side Down!
